DISCLAIMER

All content made available in the *Control & Therapy* (including articles and videos) may be used by readers (*You or Your*) for educational purposes only.

Knowledge and best practice in this field are constantly changing. As new research and experience broadens our knowledge, changes in practice, treatment and drug therapy may become necessary or appropriate. You are advised to check the most current information provided (1) on procedures featured or (2) by the manufacturer of each product to be administered, to verify the recommended dose or formula, the method and duration of administration, and contraindications.

To the extent permitted by law You acknowledge and agree that:

I. Except for any non-excludable obligations, We give no warranty (express or implied) or guarantee that the content is current, or fit for any use whatsoever. All such information, services and materials are provided 'as is' and 'as available' without warranty of any kind.

II. All conditions, warranties, guarantees, rights, remedies, liabilities or other terms that may be implied or conferred by statute, custom or the general law that impose any liability or obligation on the University (We) in relation to the educational services We provide to You are expressly excluded; and

III. We have no liability to You or anyone else (including in negligence) for any type of loss, however incurred, in connection with Your use or reliance on the content, including (without limitation) loss of profits, loss of revenue, loss of goodwill, loss of customers, loss of or damage to reputation, loss of capital, downtime costs, loss under or in relation to any other contract, loss of data, loss of use of data or any direct, indirect, economic, special or consequential loss, harm, damage, cost or expense (including legal fees).
