TPLO Workshop

23 - 24 March 2024 | Sydney

THE UNIVERSITY OF
SYDNEY

Centre for
Veterinary
Education

Masterclass in Tibial Plateau Levelling Osteotomy (TPLO)

This highly practical two-day Masterclass will be dedicated to understanding and performing TPLO surgery using radial cut and locking implants.

Day 1 kicks off with intense theory, hands-on exercises and TPLO planning and templating. Day 2 will be dedicated entirely to Cadaver Surgery exercises. Significant time will also be allocated to assessment and critique of post-op x-rays in order to minimise surgical inaccuracies in the future.

Elevate your TPLO game with this cutting-edge, hands-on experience!
